

**Cindy Bloking (daughter of the late Liz Segal-Berenson):** Hi Mike Arlow. I hope all is well. I am still recovering from the past six months. I think what you are doing is awesome in taking the lead on all this. If you do get enough response for a 60th please keep me posted, and keep in mind that I am happy to make a referral to Westbury Manor they did a great job and cut me a great deal. They did one of my high school reunions really well. They have great rooms that would accommodate.
