Hi Mike,

First, please thank Billie for the 9/11 article, it brought tears to my eyes. I had an elderly cousin (my mother's age) on a flight that was diverted to Quebec and had a similar experience. The Canadiens and their government are so hospitable and accommodating.

As for the reunion, since I'm in MI too, I'll try to help you on this end with the North class. I hate to tell you, I didn't write down the password and deleted your messages when you sent new ones. So would you send it to me again?

I'm not on social media, but I've thought of another search source, classmates.com. I'm on the GNHSNorth and GNHS list and can look for missing people there. Classmates will let me contact people through them, but it's up to the people to write me back. Maybe someone in the South group can do the same.

Is it too early to pick a tentative date? Maybe pick two or three, for example, the first week of May or the last weekend of April, and then let everyone or a committee vote on it.

It's nice to have to be doing something positive in these days of negativity and conflict.

Happy eclipse day. Take care,

Jane (Tulman)
