

# **It is with great sorrow that I report the death of Suellen Tuby Globus.**

**We note, with sorrow, the passing of our friend and classmate, Suellen Tuby Globus on June 3, 2020, and extend sincerest condolences to her bereaved family. She was the beloved wife of 43 years to David Globus, loving, devoted mother of Tracy and Michael, Daryl and Alan, and Allison and Lou. Cherished step-mother of Martha Rodriguez, the late Alexander Globus, and the late Sarah Goldfield. Adoring grandmother to Jillian, Amanda, Jake, Nicky, Charlie, Annie, Zachary, Isabel, Vivian, Ori, and Vivian.**

**Suellen was predeceased by her beautiful sister, Joan Weinsier. She was truly the most caring, kind, vivacious, and devoted wife, mother, grandmother, aunt, and friend. Suellen made sure everyone felt special and loved to make everyone laugh. She showed incredible strength and courage to the very end. Hence, we are heartbroken and miss her so much. The world is a sadder place today without her.**

**Due to the coronavirus pandemic, and according to the New York Times Obituary, a graveside funeral was held for the immediate family only on Friday, June 5. A celebration of Suellen's life will be held later in the year. We will love you forever and deeply cherish all of our precious memories.**

**PERSONAL NOTE: I wish to thank our classmates, Phyllis Malkin Cohen and Steffi Mokotoff Berne, for assisting me with this unfortunate and untimely obituary.**

*Respectfully submitted, with sympathy,  
Michael S. Arlow, friend, classmate, and webmaster.*
